

Gary went above and beyond on our sale. He was on top of every detail, kept everything on schedule and moving forward. From listing to closing Gary made sure everything was smooth as possible.

This letter is to recommend Gary Strohm as a real estate professional. We selected Gary for many reasons: his presentation, preparedness and frankness with us on what the market was like... He then was with us, advising and being a real advocate for us throughout the rest of the process.

We were told that Gary Strohm was the best agent around. Our property was unusual, Gary did his homework and the property sold for full price!

Gary's personal touch and quick follow-up on items that arose made the sales process stress free.

Not only did you complete the transaction smoothly and get me almost 98% of the listed price, but you jumped in at the last minute to save the day at the close of escrow.

Mr. Strohm gave our family his full hearted attention when it came to matters of concern, construction and inspections. He even went the extra mile (so to speak) when it came to our financing the property.

The best professional realtor we've ever dealt with.

We feel it is important to recognize talented people. We both were extremely pleased with Coldwell Banker and, in particular, Gary Strohm. He is a consummate professional. He handled both the listing and sale of our home and the purchase of our new home in as professional a manner as one could possibly expect.
