About

Dr Navdeep Chavan is a young dynamic plastic, aesthetic and hair transplant surgeon with 10 years of experience in field of plastic and cosmetic surgery. His main interest is in hair transplant, cosmetic (body contouring procedures) and revirginization procedures.

He is graduate from prestigious GR Medical College, Gwalior and post graduate from SS Medical College, Rewa. He pursued his super-

specialization from Grant medical college and JJ hospitals, Mumbai. Dr Navdeep is a rank holder throughout his career. He has learned intricacies of cosmetic and plastic surgery procedures from national & international pioneers in respective fields.

He has worked with some best corporate hospitals of India. He started his career with **Wockhardt Hospital, Goa** in 2008 and also worked as senior consultant in **Max** and **Fortis super-specialty hospital, New Delhi**.

At present he is working with **RJN – Apollo Spectra Hospital, Gwalior**, as senior consultant in department of plastic and cosmetic surgery. He is doing all specialized plastic and cosmetic surgeries. His main work includes:

Facial rejuvenation (botox and fillers), Rhinoplasty (nose job), Body contouring (liposuction) and Hair Transplant.

He has special inclination for revirginization procedures like hymenoplasty, vaginoplasty, labiaplasty and vaginal tightening.

As a member of many well-known surgical associations, he is on his way towards getting even further in terms of his knowledge and practice of aesthetic and plastic surgery. He believes in dealing his patients with compassion.

Dr Navdeep is committed to provide the best healthcare possible to his patient. He has a lot of international and national patients under his belt. Recently he was awarded most prestigious Gwalior Ratna by JCI, Gwalior for year 2015 in recognition to his outstanding achievements in field of medical innovation.
