1. INT. THE NAUTILA DAY

We open on our hero, JOSH SOLO, the infamous Han Solo's enigmatic brother. He stands around 5'7" and is a little chubby at the waist. He wears a round brimmed hat pulled up at the sides to appear as a Stetson, a blaster pistol hangs by his side. He prepares his spaceship, The Nautila, for take off.

JOSH
Passengers all aboard, we don't
have all day!

A young man, LUKE SKYWALKER, is the lone figure to board the ship via a set of stairs. He is slim, blonde, good looking and carries himself with an air of timidity.

JOSH (CONT'D)
Come on

Luke walks off into a unseen room on the ship. The Ship prepares for take off and Josh walks into a backroom and is heard speaking to his crew-mate, CHIP.

JOSH (CONT'D)
(muffled exchange between
him and Chip)
Don't worry about it.

Beat

JOSH (CONT'D)
I'll call you when I need you.

Josh walks towards the room where Luke waits within. Josh gestures at the camera, indicating that it should follow him, as he walks past.

2. INT. COMMON ROOM. CONTINUOUS

Josh walks toward a sleep opposite Luke

JOSH
So, who have we got here?

Josh sits down across from Luke.

LUKE
Luke, Luke Skywalker

JOSH
 Oh. Hey you're that kid who stormed
 and blew up that um, that death-
 star?

LUKE
 Yeah

JOSH
 And who walked with a guy called
 Han Solo.

LUKE
 Mm

JOSH
 And killed Darth Vader?

Beat

LUKE
 (A flash of sadness
 crosses Lukes face.)
 Mm yeah

JOSH
 I've heard a lot of stories about
 you, you know.

LUKE
 Really?

JOSH
 Yeah

Josh turns and yells out door towards the backroom where Chip
 is eagerly waiting.

JOSH (CONT'D)
 Chip!

CHIP
 (Offscreen)
 I'm coming!

JOSH
 A bring me a bottle of wine with ya
 would ya!

CHIP
 (Disgruntled)
 Yes Josh.

The camera lingers on the door with the expectation that Chip will appear.

JOSH
(Offscreen)
So...

Chip appears at the door while offscreen Josh inexplicably cries out in pain? Chip looks nervous while he waits outside the threshold of the room. After a moment Chip enters the room and gives Josh the bottle of wine

JOSH (CONT'D)
(handing the bottle then
over to Luke)
Here you go.

LUKE
Thanks

Luke then proceeds to chew the neck of the bottle for a prolonged period of time. Josh looks gleefully on.

LUKE (CONT'D)
Thanks

He screens the lid back on the bottle of wine and tosses it to Josh.

JOSH
So, where are you planning to be going, on this magnificent flight on the Nautila?

CHIP
(offscreen and over the top
of Josh's dialouge.)
Caleb?

Josh looks at Chip unimpressed.

CHIP (CONT'D)
(Still offscreen)
Caleb, can we do the part where, when you say, when you say um, you work for Jabba the -

3. INT. COMMON ROOM. CONTINUOUS

Instantly cutting into the action.

LUKE
Not really no.

JOSH
So you are just following where we
go?

LUKE
Yeah!

JOSH
And then -

Awkward pause.

JOSH (CONT'D)
I'll take you to somewhere where I
think you might, um,

ZOOM IN TO CU ON JOSH'S FACE

JOSH (CONT'D)
you can use some lava troopers for
target practice?

LUKE
(Offscreen)
Alright

ZOOM BACK TO TO LS OF THE WHOLE ROOM.

JOSH
So.

Josh hands the bottle of wine back to Luke.

JOSH (CONT'D)
Let me introduce myself

LUKE
Yeah, and you are-

JOSH
My name is Josh...

Beat

JOSH (CONT'D)
I work for Jabba the Hutt.

It is revealed the Chip has been standing the room the whole
time without our knowledge!

CHIP
(Cries out in anguish)
Oh I hate it when you tell me that!

Chip falls to the floor, apparently passing out under the weight of his shame. Josh appears to completely ignore Chip and his unusual behaviour.

JOSH
And I... am Han Solo's Brother!

Chip rears up his head from the floor, desperately trying to out his grievances

CHIP
Argh, I hate it when you tell me that!

JOSH
But you won't be having any encounters with Jabba the Hutt

Josh gestures his hand towards Luke to re-assure him. He begins to walk out of the room and looks down at Chip as he passes him buy.

JOSH (CONT'D)
Come on Chip

CHIP
Oo ah, Ya.

The three follow each other out of the room and we fade to black.

4. EXT. A WIDE OPEN FIELD. DAY

The three men stride confidently across a wide open plane. Josh stands in the middle slightly in-front, leading the group onwards to an unknown destination.

JOSH
(facing away from the camera.)
Stop Dad...

CAMERA PANS AROUND IN FRONT OF THE GROUP

JOSH (CONT'D)
 (Looking towards the
 camera as it pans around
 him)
 Did you stop?

Beat, as the camera completes it's pan.

JOSH (CONT'D)
 So, this... the Saint, of the
 Santian Planes, of the Santanian
 Gates
 (cough)

LUKE
 Hmmmm..?

JOSH
 Right in the middle of the Norshan
 Desert. Come on, let's go

The trio begins to walk away. Chip looks at the camera as he passes. They walk a short distance and as they walk Luke picks up a stick, snaps it in half and throws it away. Chip points at something in the distance. They arrive at a small clump of trees and Chip splits off from the group to walk away offscreen.

JOSH (CONT'D)
 So, have you ever been to these
 planets before

LUKE
 Not really, um there is one thing I
 want to ask you.

JOSH
 (whinging)
 What?

LUKE
 Do you own these things?

JOSH
 Well not exaclty. I kinda do and I
 kinda don't -

Josh is cut off as a desperate cry rings out offscreen. Chip has called out in pain, a desperate plea to his master to come to his aid.

LUKE & JOSH (CONT'D)
WHAT THE!?!

The two men sprint off towards Chip who is revealed to have fallen to the fetal position in pain. Josh and Luke crouch down next to Chip and Josh begins to examine Chip's leg, desperately looking for the source of Chip's pain.

JOSH (CONT'D)
Where is it? - Ah ha!

Josh quickly pulls the creature off Chip's leg, in a dashing display of heroism Josh whips his blaster from its holster and blows the dastardly creature to kingdom come. The cry of the blaster echoes across the plains.

Beat

JOSH (CONT'D)
I hate it when that happens.

LUKE
Yeah, that was gross.

JOSH
Come on, let's go.

The three men begin to walk away.

JOSH (CONT'D)
Dad stop.

The three turn to face the camera.

JOSH (CONT'D)
That was it.

Luke begins to jump around excitedly, he is hunched over, like some sort of gollum creature.

LUKE
(Gleefully)
Can we see it all together?
