To Whomsoever It May Concern

This is to certify that Mr Shreyasvi Natraj, student of R.V. College of Engineering has successfully completed 2 (two) months (1 May 2016 to 30 June 2016) internship programme at Bengaluru Lab of Graviky Labs Private Limited. His area of work was prototyping small scale electrostatic systems.

During the period of his internship programme with us, we found Shreyasvi to be a very curious learner and innovative. Shreyasvi not only showed good acumen for research but also actively took initiative demonstrating commitment to the project.

We wish him every success in life.

Thank you.
