Goodbye Grey's proprietary formula is an all-natural supplement that is carefully developed with the highest quality ingredients. Grey hair is a problem that is commonly associated with men, but also commonly effects women as the gaining process takes hold. It's caused by the natural depletion of an enzyme called Catalase which is what gives our hair colour. The Goodbye Grey formula has been developed to help restore Catalase levels in our body to help it reverse the greying of hair and prevent future grey hairs from forming.

# GOODBYE GREY'S UNIQUE FORMULA PROVIDES A CURE FOR GREY HAIR

**Goodbye Grey's proprietary formula is an all-natural supplement that is carefully developed with the highest quality ingredients.**

Goodbye Grey is the most effective solution for the reversal of grey hair. Goodbye Grey is the solution for grey hair you've been waiting for. As we age the enzyme called Catalase slowly depletes in our hair causing it to grey. Goodbye Grey contains a high concentration of the Catalase enzyme to reverse grey hair while also combining herbal, plant and mineral additives to bring thickness and life to your hair. Begin to enjoy life again without having to hide your grey hair.

*No more is there a need for hats or other ways of hiding your hair.*

# IMPORTANT FACTS ABOUT GOODBYE GREY

**Q. Do you have to hide away your grey hair?**

A. It sometimes can be difficult and awkward having to hide away your grey hair. Goodbye Grey reverses the greying of hair so you can get your confidence back and avoid and social awkwardness. No longer do you have to find different ways to hide away your hair.

**Q. Is dyeing your hair the right choice for you?**
