

ESQUINA

about

Esquina Deli Food Products opened its doors to the people of Dipolog on the 8th of May 2013.

Owned and operated by Ramon Daniel dela Paz, Sharon A. dela Paz, and Avelice Lobiano, food industry professionals with a combined experience of over twenty years, Esquina Deli innovates on the use of local ingredients in New International cuisine.

Our menu is a dynamic document that reflects what is available from select purveyors and our very own organic vegetable garden from where we source our ingredients.

The liquor section features new world wines and the finest spirits and liqueurs. Each one individually sampled and selected for your enjoyment.
