

# SPECIALS

Because we work closely with our breweries, we receive exclusive seasonals and small batch brews. We've also teamed up with our sister retail site [beermerchants.com](http://beermerchants.com) to find an unrivalled selection of special guest beers from other producers. Stock is very limited and sold on a first-come-first-served basis, so contact your rep quickly!

## IMPORTANT

Could all customers, when ordering, please specify the package type you would like to order. This will save us having to call you and guarantee that you will get the beer you want!  
And to make sure your order is picked up in a timely fashion, don't forget to email [northorders@cavedirect.com](mailto:northorders@cavedirect.com)!

Cheers

Hey!

Hope you're all doing okay!

A Light, Crispy, Fruity IPA to tick all the boxes.

**The White Hag Brewing Company**

Earlier in the week, you will have received an invite to our Trade Showcase featuring White Hag including a **Dry Irish Stout** they are brewing for us!  
We will have **Wild Atlantic Oyster Company** with them, proving **Stout and Oysters** are a marriage made in heaven.

To book on to a session please email [holleigh@cavedirect.com](mailto:holleigh@cavedirect.com).

**Sessions at UNIT 101 are Monday 26th February 15:00 – 16:30 & 17:00 – 18:00.**
