Paper BLOOM

FAMILIES WHO CELEBRATE DÍA DE LOS MUERTOS USE MARIGOLD PETALS TO HELP GUIDE THEIR ANCESTORS HOME. FOLLOW THE STEPS BELOW TO CREATE YOUR OWN PAPER MARIGOLDS FOR YOUR BEDSIDE TABLE, BUREAU OR DESK.

WHAT YOU NEED: ORANGE CONSTRUCTION PAPER, SCISSORS, A DRINKING GLASS, A PENCIL, GLUE

1

DRAW THE CIRCLES

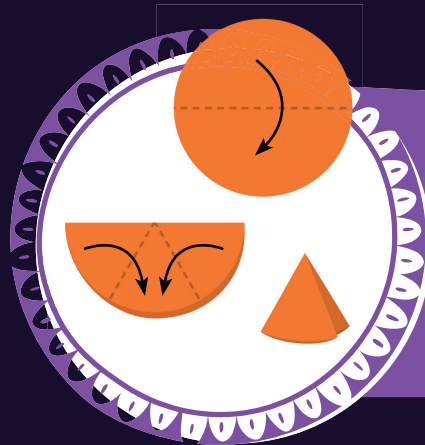

Use the drinking glass to draw 3 circles on a piece of orange construction paper. Cut them out.

2

CREATE A CONE

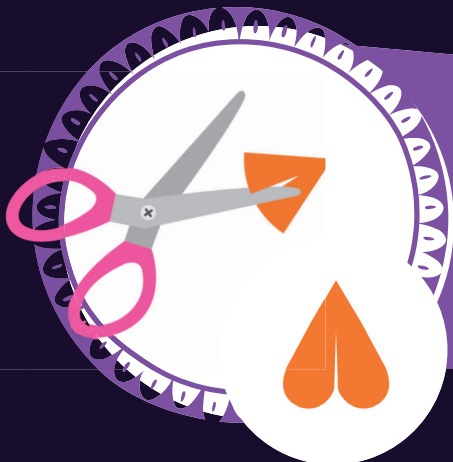

Hold all 3 circles together and fold in half. Then fold in half again to create a cone shape.

3

MAKE A CUT

Cut a slit from the curved end of the paper cone, leaving about 1/3 of it untouched.

4

OPEN THE CONE

Unfold the cone. Then cut more slits so the flower has multiple petals.

To create the flower's stamen, draw a shape that resembles a hair comb on a strip of paper. Cut it out.

5

GLUE THE PETALS

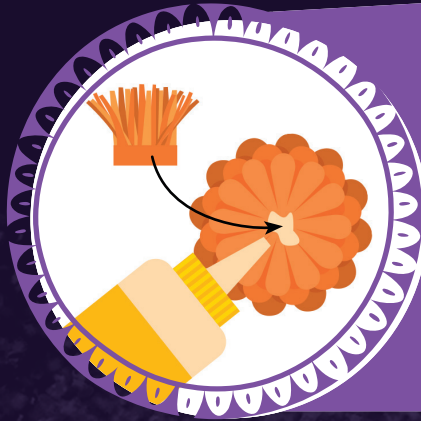

To create a fuller flower, layer several petals on top of each other. Attach them together using a few drops of glue.

8

COMPLETE YOUR FLOWER

Add a few drops of glue to the center of your flower. Gently press the base of the stamen into the glue and hold for 30 seconds. Repeat the steps to create a full bouquet!

7

COLOR On a String

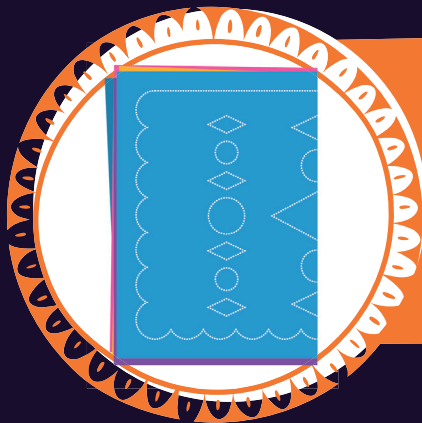

CREATE YOUR VERY OWN PAPEL PICADO BY FOLLOWING THE INSTRUCTIONS BELOW AND USING THE CUTOUT TEMPLATE ON THE NEXT PAGE. **WHAT YOU NEED:** AT LEAST 4 SHEETS OF CREPE PAPER IN DIFFERENT COLORS, SCISSORS, MASKING TAPE

1

PREPARE THE PAPER

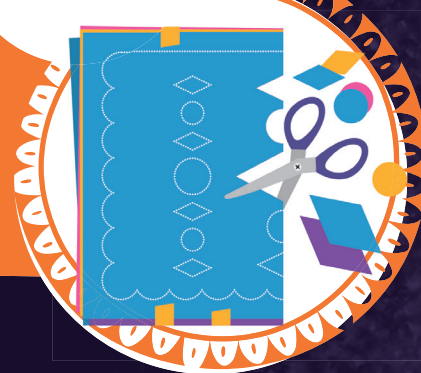

Cut out the template on the next page and fold it down the middle. Fold 4 sheets of the crepe paper in half and assemble a "book" with the template sheet as the cover.

2

TAPE THE CREPE

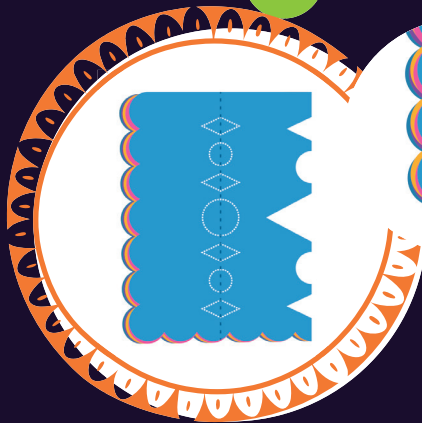

Secure the top of your book with masking tape so the crepe paper doesn't slip when you are cutting out the shapes. Carefully cut out all the shapes on the interior of the template.

3

CUT OUT THE SHAPES

To access the shapes on the inside of the template, fold it again. Make sure to also cut around the edges.

4

SEPARATE THE SHEETS

Flatten out your book and remove the template cover. Be careful when separating the sheets of crepe paper as they can be quite fragile.

5

COMPLETE YOUR GARLAND

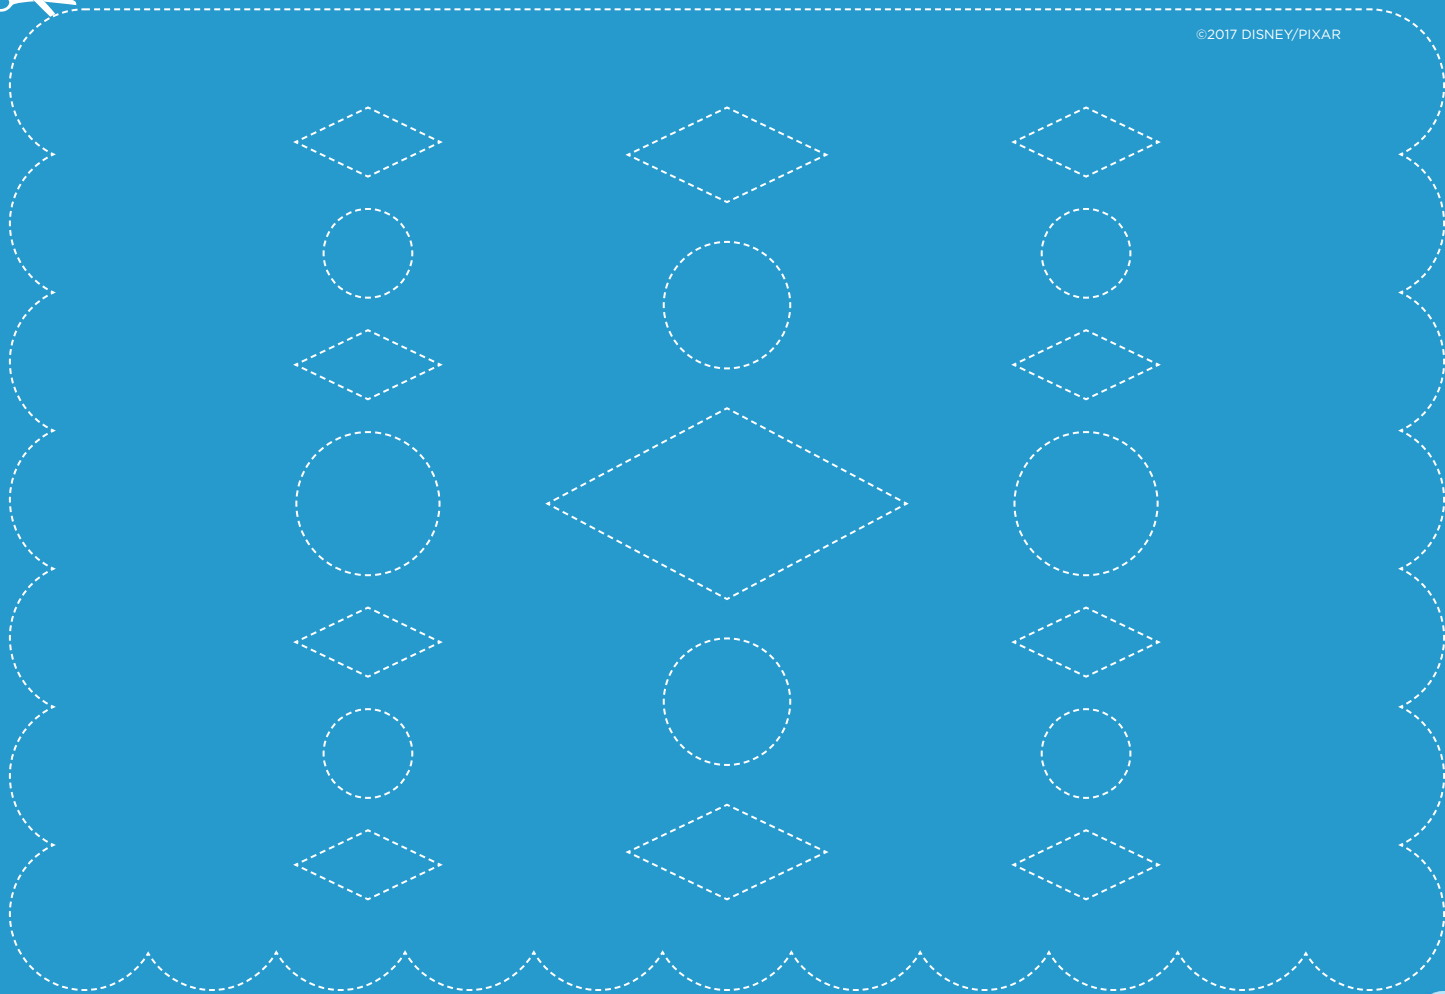

Unroll a length of masking tape and lay it on a flat surface with the sticky side up. Carefully place the sheets facedown on the masking tape in alternate colors. Then, fold the masking tape over to create your garland! You can also string the banners onto garden twine.
