Complete both Part A and Part B.

Part A:

Select one of the following issues that court administrators face:

- **Volume of cases in the court system**
 - **Diversity of judges**
- **Language barriers and availability of court-interpreters**
 - **Attorney-related issues**

Write a 700- to 1,050-word paper to describe the efforts that court administrators have made to

address or solve the issue. Have the efforts been successful in addressing the issue?

Part B:

Write a 700- to 1,050-word paper in which you summarize the current state of victims' rights in your state (including identifying the existence of any victims' rights laws) and assess their impact on criminal law proceedings.

Include a description of one change you would make in the criminal court system regarding victim's rights.
