Auto Mechanic

Terre Haute, Indiana, United States · Drive In Service

DESCRIPTION

We are looking for a skilled Diesel Technician to maintain and repair vehicles. You will be responsible for troubleshooting issues and fixing them aiming to maximum reliability and functionality. An excellent Diesel Technician has good eye-hand coordination and manual dexterity. They are well-versed in complex mechanical or electrical systems of vehicles and have excellent problem-solving abilities. They must also be good communicators to provide advice to customers.

Responsibilities

- Inspect vehicle engine and mechanical/electrical components to diagnose issues accurately
 - Inspect vehicle computer and electronic systems to repair, maintain and upgrade
 - Conduct routine maintenance work (replacing fluids, lubricating parts etc.) aiming to vehicle functionality and longevity
 - Repair or replace broken or dysfunctional parts and fix issues (e.g. leaks)
 - Provide accurate estimates (cost, time, effort) for a repair or maintenance job
 - Keep logs on work and issues
 - Maintain equipment and tools in good condition
-

REQUIREMENTS

- Proven experience as Diesel Technician
- Excellent knowledge of mechanical, electrical and electronic components of vehicles
- Working knowledge of vehicle diagnostic systems and methods
- Ability to handle various tools (e.g. pliers) and heavy equipment (e.g. lift)
- Willingness to observe all safety precautions for protections against accidents, dangerous fluids, chemicals etc.
- Excellent physical condition

- High school diploma is preferred; Certification from a vocational school or completion of apprenticeship is preferred
-

BENEFITS

Vacation: 7 days vacation after first year; 12 days per year after 2 years.

Benefits: After 90 Days; health insurance, long term/short term disability, life insurance, air Evac plan, and Uniforms or shirts. Retirement after \$5,000 earning (enrollment is only available between Oct-Dec) with up to 3% match. Employee Evaluations will be once a year with raises connected to performance of 1-5% increase in pay (in a stable economy).
