Gettings Started

1: Level UP!

- Getting to max level (Astica 21) in Tantra Rastafarian is super fast. You just have to kill 2 Monster outside the starting point (Mandara Town) no unnecessary grinding required to level up. All players are ready for battle and Boss Hunting right from the start.
- When you level up. Chakras and skill points are automatically added to you character. Open your Stats window by pressing "L" and Skill Window by pressing "K". Spending your chakra on your character makes its base stats stronger.
 1. Muscle - Increases attack power and defence of a melee type character.
 2. Nerve - Increases Attack power and avoidance rate of long range type class.
 3. Heart - Increases your Health and Mana points.
 4. Mental - Increases Magic attacks and Mana points.

Spend your chakras and skill Points wisely.

2: First Job Change

- After you reach max level. It's time for your first Job Change. Talk to General Apvas near the entrance of Mandara Town to get the First Job Change quest. Press "U" to see your quest Journal. He will tell you to head to Priest Vananta and talk to him. Priest Vananta will ask you to kill a series of monster outside Mandara town. Kill them all and Return to Priest Vananta. After that go back to General Apvas and you're done with the first job change.

3: Second Job Change

It's time for your 2nd Job Change. You will get a set of Class exclusive skills when you finish the 2nd Job Quest.

- Head to Jina Town. (You can get a Teleportation item (Quality Ziva Pustika) from Pharmacist Karan
- Talk to Elder Zangzu in Jina Village and choose your desired Job.
- He will give you 3 Quests to complete. These quests depend on the Job you've chosen. Press "U" to see your quest Journal. Complete these 3 quests and return to Elder Zanggu to finish the 2nd Job Change..

4: Gear up!

- Once you finished your 2nd job quest. You are now ready for Battle Whether its PvP or PvE.. Gear up using your free +15 Armor set, +15 Weapon and accessories. Its automatically added to your in game storage. Get it from Buvan or Abahan in Mandara Village or Use a Cargo orb to open your in game storage.

5: Campaign Quest

- If you wish to do the Campaign quest. Talk to Anjali in Mandara Village. She will guide you to get started on your journey.

6: Fight for your God!

- If you want to test your skills in a realtime PvP battle. Kruma is the place to go. Kruma is a PK zone where all players from 3 factions fight for their God. But before you enter kruma. You must select your God first. There are 3 Deities to choose from; Shiva, Brahma and Vishnu

Ruphia Farming

(Rupiah is the Tantra Rastafarian's in game currency)..

- Currently there are two ideal spot for Rupiah Farming. The Warfare of Ruins and Ruins Map. Each Monster Drops 25,000 Rupiah.
- The other farming spot is Karya Dungeon. Karya Dungeon monsters drop much higher rupiah. But the portal only opens at 11:30AM, 4PM, and 11PM (PH Time). The portal location is in the center of Mandara Coliseum. Be there before the portal opens because it will close after 5 minutes.

Note: Rupiah drop rate may change over time.

Upgrade Stones and Refining Stones.

There are 9 upgrade stones in game.

From Lowest to Highest

- ❖ Dipa Illa
- ❖ Illa
- ❖ Azis
- ❖ Surapa
- ❖ Chatou
- ❖ Prajati
- ❖ Sambadu
- ❖ Uta Sampad
- ❖ Gavi

There are only 2 useful upgrade supplement stones in game.

- ❖ Kuntu (-1 when upgrading fails)
- ❖ Bedante (No Penalty when upgrade fails)

You can upgrade your items using the Altar inside the temple in Mandara Village. Be careful when upgrading your items. It might vanish when upgrading fails.

Some of the Upgrade Stones can be purchase on the NPC near the Altar in Mandara and some can only be obtained from Bosses that overrun the lands of Tantra Rastafarian. These Bosses can be challenging sometimes and it requires more than 1 people or a Party to defeat. Be Careful out there.
