MAX LOG: 3 attempts, miss one and out. If heaviest weight is a tie, a 4th attempt will be allowed to attempt to break the tie. Competitor will have 60 seconds to complete each attempt. MUST WAIT FOR JUDGES DOWN COMMAND AND CONTROL IMPLIMENT TO THE GROUND. YOU DROP, YOU ZERO THIS EVENT!

Equipment allowed: Wrist Wraps, Belt, Sleeves, Anti Gravity Device.

INCREASING WEIGHT & REP DEADLIFT: Competitor will have 90 seconds to complete as many reps as possible. Judge will give UP AND DOWN commands. After each rep, while implement is down, additional weight will be added for each rep.

Equipment allowed: Suits, Straps, Sleeves, Belts, Industrial Building Crane.

HARNESSED TRUCK PULL: Competitor will be strapped to a truck and given a rope to pull if desired (we recommend practicing this!!!). 60 second time limit to complete 50' course. Distance will be measured for anyone who does not complete course.

Equipment allowed: Gloves, Wrist Wraps, Sleeves, Belts, Selling of Soul.

FINGAL FINGERS: Competitor will be given 90 seconds to complete 5 fingers. Must go in order from lightest to heaviest. Split time will be recorded for heaviest finger flipped. Clock will stop when finger hits the ground after successful flip.

Equipment allowed: Gloves, Sleeves, Wrist Wraps, Belt, Thors Thunder Kisses.

5 STONE SERIES: 5 stones will be loaded from lightest to heaviest. First stone will be to shoulder, last 4 will be to descending height platforms. 90 second time limit. Split times will be taken for each stone.

Equipment allowed: Belt, Sleeves, and the devils TACKY! (we want to see heavy stones moved!)
