

# FUNDRAISING IDEAS

## Keepy uppy challenge

Game of headers and volleys anyone? See who can do the most keepy uppies in the office and ask anyone who gets involved to make a donation. Winner gets a prize as well as eternal bragging rights.

## Stitch up the gaffer

Get the gaffer involved. Kit them out in their rival team's football shirt if you smash your fundraising goal.

## Moore than a sweepstake

Test your footballing knowledge! The English Football League fixtures have been announced for Saturday April 28th. We've created a sweepstake for you and your mates to predict the outcomes. You can find it at the back of this pack, just get everyone to donate £2 and fill in the answer sheet.

## Game of two halves

Fancy doubling up your fundraising? Ask your work to match the funds you raise with matched giving and support even more life-saving research.

## Bucket collection

A classic fundraising idea. Simply place a bucket (magic sponge optional) in the shared spaces at work and tot up your fundraising total.
