

## CURRICULUM VITAE

薛博仁理事

**Name:** Po-Ren Hsueh  
**Sex:** Male  
**Birth Date:** June 7, 1958  
**Birth Place:** Taiwan  
**Marital Status:** Married

**Education:** Graduated from Department of Medical Technology, College of Medicine (1977-1981) and Department of Medicine, National Taiwan University College of Medicine (1983-1988)

**Degree:** M.D.

**Current Position:**

Associate Professor, Departments of Laboratory Medicine and Internal Medicine, College of Medicine, National Taiwan University

Chief, Division of Clinical Microbiology, Department of Laboratory Medicine, National Taiwan University Hospital

**Training and working experience:**

- 1987-1988 Rotating Intern in National Taiwan University Hospital
- 1988-1990 Resident, Department of Internal Medicine, National Taiwan University Hospital
- 1990-1993 Resident, Department of Internal Medicine, Taiwan Provincial Tainan Hospital
- 1994-1995 Visiting Physician, Departments of Internal Medicine and Laboratory Medicine, Taiwan Provincial Tainan Hospital
- 1995- Visiting Physician, Divisions of Clinical Microbiology and Infectious Diseases, Departments of Laboratory Medicine and Internal Medicine, National Taiwan University Hospital

- 1998      Lecturer, Departments of Laboratory Medicine and Internal  
Medicine, National Taiwan University Medical College
- 2000      Assistant Professor, Departments of Laboratory Medicine and  
Internal Medicine, National Taiwan University Medical College
- 2003      Associate Professor, Departments of Laboratory Medicine and  
Internal Medicine, National Taiwan University Medical College

**Journal Reviewer:**

1. Journal of American Medical Association (JAMA)
2. Emerging Infectious Diseases (EID)
3. Clinical Infectious Diseases (CID)
4. Journal of Antimicrobial Chemotherapy (JAC)
5. Chest
6. European Journal of Epidemiology
7. Expert Opinion on Pharmacotherapy (EOP)
8. FEMS Immunology & Medical Microbiology (FEMSIM)
9. BioMed Central (BMC) Infectious Diseases
10. Journal of Biomedical Science (JBS)
11. Canadian Medical Association Journal (Ottawa, Canada) (CMAJ)
12. Medical Science Monitor
13. Journal of Infection
14. Respiratory
15. Computer Methods and Programs in Biomedicine
16. Journal of Internal Medicine (JIM)
17. European Journal of Pediatrics
18. Medical Principles and Practice
19. Infectious Diseases in Clinical Practice (IDCP)
20. Journal of Formosan Medical Association (JFMA)
21. Journal of Microbiology, Immunology and Infection (JMII)
22. Chinese Medical Journal (Taipei)

**Editorial Board:**

1. Journal of Antimicrobial Chemotherapy (since 2005)
2. International Journal of Antimicrobial Agents (since 2001)
3. Biotechnology (since 2004)
4. Bioscience Research (since 2004)
5. Managing editor, Journal of Microbiology, Immunology and Infection (since 2004)
6. Recent Patents on Anti -Infective Drug Discovery (since 2006)
7. International Journal of Biomedical Science (JIBS) (since 2006)

**Professional Interests and Specialties:**

1. Infectious Diseases
2. Clinical Microbiology
3. Antimicrobial Drug Resistance
4. Molecular Epidemiology

**Professional Society:**

1. Member of Formosan Medical Association
2. Member of American Society of Microbiology
3. Member of International Society of Infectious Diseases
4. Member of European Society of Clinical Microbiology and Infectious Disease
5. Member of Society of Internal Medicine, ROC
6. Member of Taiwan Society of Clinical Pathology
7. Member of Infectious Diseases Society of Taiwan  
Secretary-general (2000-2003)  
Director (since 2003)

8. Member of Chinese Society of Microbiology  
Secretary-general (2002-2004); President (2005-2007)
9. Member of Taiwan Committee for Clinical Laboratory Standards  
Director (since 2004)
10. Western Pacific Society of Chemotherapy  
Executive Committee member (since 2002)  
Secretary-in-General, Western Pacific Society of Chemotherapy (since 2007)
11. Coordinator, Alliance for the Prudent Use of Antibiotics (APUA)-Taiwan (since 2002)

### **International Advisory Committee or Chairman**

1. 23rd International Congress of Chemotherapy, Durban, South Africa 2003
2. 24th International Congress of Chemotherapy, Manila, Philippines June 4-6, 2005
3. The 9th Western Pacific Conference of Chemotherapy and Infectious Diseases, Bangkok, Thailand, December 1-5, 2004
4. The 9th Western Pacific Conference of Chemotherapy and Infectious Diseases, Bangkok, Thailand, December 1-5, 2004
5. 10th Western Pacific Conference of Chemotherapy and Infectious Diseases, Fukoka, Japan, December 3-6, 2006
6. Chairman, 11th Western Pacific Conference of Chemotherapy and Infectious Diseases, Taipei, Taiwan, November 29-December 3-6, 2008

### **Invited Speaker or Chairman**

1. The 22nd IUATLD Eastern Region Conference, April 9-12, 2003
2. Growing Problems of Antimicrobial Resistance among Nosocomial Pathogens. The 4th International Symposium on Antimicrobial Agents and Resistance (ISAAR), Seoul, Korea, July 16-18, 2003
3. Epidemiology and Clinical Features of SARS in Taiwan. The 6th Chinese Laboratory Medicine Conference, November 11-14, 2003
4. The 9th Western Pacific Conference of Chemotherapy and Infectious Diseases, Bangkok, Thailand, December 1-5, 2004
5. The 24th International Congress of Chemotherapy, Manila, Philippine 2005
6. The 5th International Symposium on Antimicrobial Agents and Resistance (ISAAR), Seoul, Korea, April 27-29, 2005
7. Antimicrobial Resistance in Pathogens Causing Respiratory Tract Infections including *Pseudomonas aeruginosa*. Pan-Resistant bugs (*Pseudomonas aeruginosa* and *Acinetobacter baumannii*): Antimicrobial Therapy and Infection Control. The 24th International Congress of Chemotherapy, Manila, Philippine June 4-6, 2005
8. Symposium for Focusing on Pathogens of CAP, Taiwan. The 75th Annual Western

Meeting of the Japan Association of Infectious Diseases. Nagasaki, Japan, November 17-18, 2005.

9. The 1st Cross Strait Tri-regional Academic Forum on Clinical Microbiology and Infectious Diseases, Beijing, China, September 1, 2005
10. Empirical Treatment with a Fluoroquinolone Delays the Treatment for Tuberculosis and Is Associated with Poor Prognosis in Taiwan. The 46th Annual Meeting of Interscience Conference of Antimicrobial Agents and Chemotherapy (ICAAC), San Francisco, USA, September 27-30, 2006.
11. Emerging Antimicrobial Resistance in Taiwan. The 9th International Congress of the Asian Society of Clinical Pathology and Laboratory Medicine (ASCPaLM2006), Kobe, Japan, October 11-12, 2006.
12. Novel Agents, New Hope. The 2nd Cross Strait Tri-regional Academic Forum on Clinical Microbiology and Infectious Diseases, Taipei, Taiwan, November 18-19, 2006
13. The Need for Potent New Drugs in Asia. The 11th Congress of the Asian Pacific Society of Respiratory, Kyoto, Japan, November 19-23, 2006
14. Surveillance of Antimicrobial Susceptibility in Western Pacific Region. The 10th Western Pacific Conference of Chemotherapy and Infectious Diseases, Fukuoka, Japan, December 3-6, 2006
15. Current Treatment Regimens for the Invasive Fungal Infections. The 10th Western Pacific Conference of Chemotherapy and Infectious Diseases, Fukuoka, Japan, December 3-6, 2006
16. Multidrug-resistant *Pseudomonas aeruginosa*. The 6th International Symposium on Antimicrobial Agents and Resistance (ISAAR), Singapore, March 3-7, 2007

#### **Awards:**

1. Research Award, National Taiwan University Hospital, 1997, 1999
2. Research Award, National Science Council, Grade A, 1998, 1999, 2000, 2001
3. Research Award, Microbiology, The Association of Laboratory Medicine, ROC, 1998, 1999
4. Annual Outstanding Research Award, The Infectious Diseases Society, ROC, 1998, 1999, 2003
5. 財團法人名儕醫學文教基金會 吳天賜先生傑出醫學研究獎 2001.

**Publications:** Original Articles and Reviews: 307
