I, ....., an operator on the Taxify platform, hereby authorise Taxify to liaise with and provide information and documentation to Transport for Cape Town (“TCT”), in support of my application for an e-hailing type Metered Taxi Services operating licence. **I further acknowledge that TCT may disregard or withdraw any application for any operating licence submitted by me or on my behalf prior the signature date of this letter and the submission of my application with Taxify.**

**Nothing in this letter shall, by either express or implied means, be construed as creating an employment relationship between Taxify and me. I acknowledge my relationship with Taxify as that of an independent contractor who uses the Taxify technology platform to connect with users in need of on-demand transportation and logistics services.**

I hereby authorize Taxify to act as my **agent** in the application process with TCT, and grant Taxify the following authorisations:

- (a) To release to TCT the following personal and/or confidential information: name, surname, ID/passport number, work permit number (if applicable), vehicle make(s) and model(s) and other relevant vehicle information and documentation, and residential address with documented proof;
- (b) in the event the applicant is a registered company, provide TCT the following confidential information: name, surname, business address with documented proof, and company registration number;
- (c) provide TCT, upon written request, any other required additional information and documentations that TCT may require in considering and processing my application for an e-hailing type Metered Taxi Services Operating Licence; and
- (d) collect my letter of support from TCT, and use it as needed to further process my application for an e-hailing type Metered Taxi Services operating licence.

I hereby **confirm and understand that I may at any time**, by written demand, modify, revoke and/or terminate any or all direction made by me to Taxify to share information about me as described in this letter. I further understand that any such action may result in the failure to have my application for an operating license processed for review and approval. Any dispute arising in connection with this letter shall be mandatorily submitted to settlement proceedings under the International Chamber of Commerce Amicable Dispute Resolution Rules (ICC ADR Rules). The place of arbitration shall be in Cape Town, South Africa.
