June, 2018 Club Minutes

As is our custom, Frank started the meeting with the Pledge of Allegiance.

There was a good turnout. Around 30 people were there, including two guests.

The majority of the time was spent on club business.

VP Sue Chonoles shared her tips for the month, and shared more information on the club shirts.

Treasurer Laurie Haire gave the Treasurer's report.

After the break, long-time member Paul Hamlin shared tips about hunting in the water.

The Hunt Finally Happened!

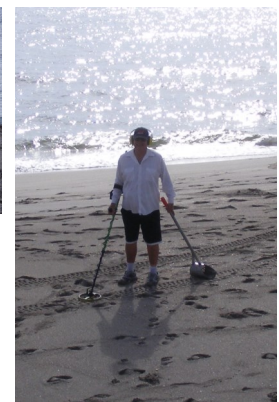

After being rained out in May, the hunt in Jupiter was rescheduled for June 10th. Twelve of us met Dave and Sue Chonoles in the parking lot of Anything Batteries, and carpooled over to the hunt location. Once there, we fanned out on the beach.

It turned out to be a very clean beach. Very little trash was found, and just a handful of coins. We covered about a half-mile of beach. There was a cut that started out at least 10 feet high, and gradually tapered down to just a foot or two. I think we all hit that section, but the beach just wasn't giving anything up that day.

We hunted the beach for a few hours before calling it a day. After the hunt, we met at Lighthouse Diner for some great food.

Unfortunately, the ones who worked so hard to put on this hunt were not able to join in the fun. Dave and Sue were dealing with some issues with their house, so they could only get us to the location before they had to leave us.

Thank you Dave and Sue for your hard work putting on this hunt!

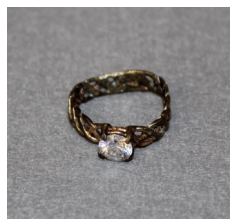

Club Secretary Needed

We are looking for someone to serve as Club Secretary. If you would like to serve in this capacity, please let the Board know.

\$425.00 Makro Racer 2 Advanced Target ID Metal Detector slightly used and comes with bonus rain covers for the display and battery compartments. Also includes a protective plastic skid plate for the search coil and user manual. This is an awesome metal detector that outperforms many others on the market. Light weight and easy to use! Excellent for the Beach and wet sand too!

Our speaker for June was Paul Hamlin

Paul shared some of his knowledge about water hunting with us during the meeting. Paul is a long time member of the Gold Coast Treasure Club, and is one of our regular participants in the Best Finds.

He has developed a number of techniques that have made him very successful whenever he goes detecting. His presentation was very informative.

Thank you, Paul for sharing some of your knowledge with us.!

Here, he is showing off some of the bling he recently found.
