

PROMO PRICELIST

INFOGRAPHIC PROMOTION

benefits

- ✓ **Genuine Outreach**
We secure placements on sites we've genuinely outreached to.
- ✓ **Brand Credibility**
Visual content helps enhance your website and gain brand credibility.
- ✓ **Drive Traffic**
Infographic Outreach can help drive targeted visitors to your website.
- ✓ **Viral Capabilities**
Sharing infographic content can create a viral distribution effect.
- ✓ **Acquire Credit Links**
Create link diversity by gaining trusted credit brand links.

how it works

- ✓ **We Manually Target Blogs**
We'll scour the web to find a suitable placement on legitimate websites and blogs. We use our blogger outreach skills to ensure a quality link mention.
- ✓ **We Write 100% Unique Content**
We'll write a unique description of around 100-300 supporting words to go with each infographic placement from the blog owners perspective.
- ✓ **View Live Progress**
From a live spreadsheet, you'll be able to monitor the progress of infographic placements live as they are secured. You'll even be able to export an unbranded CSV report for white labeling.

BLOGGER OUTREACH SERVICE

benefits

- ✓ **Instant Exposure**
You'll get instant online news publications on press release websites.
- ✓ **Natural Promotion**
Companies and brands were distributing press releases way before search engines.
- ✓ **Professionally Written**
We can write a professional press release with unlimited revisions.
- ✓ **Brand Authority**
Gives the impression you are the leading authority in your industry.
- ✓ **Full Report**
You'll get a full live white label publication report to download.

how it works

- ✓ **We Handle The Outreach**
Once we have received your order, we'll scour our ever growing relationship portfolio and outreach to find new placement opportunities bespoke to your project. We'll then pitch unique content ideas to site owners for approval.
- ✓ **We'll Even Write The Content**
Our very own remarkable copywriting team will craft the perfect blog post carefully relating both to the site owners audience and your website. Your links will be naturally and editorially incorporated within the flow of the content.
- ✓ **View Live Progress**
You'll get to see every single placement as we secure it, live from within your spreadsheet. We'll give you full Domain Authority metrics, and you'll even get to export a report into an unbranded CSV for white labeling.
