

I highlighted how this letter is being used yesterday.

The British governments standing on the issue is getting worse as more inconsistencies and doubts on its statements come to light. The international support for its claims is weakening

Baldrick: I, too, have a cunning plan to catch the spy...You go round the hospital and ask everyone, "Are you a German spy?" Edmund: Yes, I must say, Baldrick, I appreciate your involvement on the creative side. Baldrick: If it was me, I'd own up. Edmund: Of course you would.

Kevin Schofield@PolhomeEditor

Jeremy Corbyn tells the BBC: "I asked the Russians be given a sample so that they can say categorically one way or the other." And if they say it's nothing to do with them, presumably that's case closed?

I don't suppose there is anyone left who would seriously compare RT and the BBC in good faith, but just in case there are any confused souls left, see below.

Anton Troianovski @antontroian

On Telegram, RT editor Simonyan writes that Putin "used to simply be our president and he

A very welcome exchange this, on the risks associated with the UK's system of 'Golden Visas'. Duncan Hames added,

Margaret Hodge @margarethodge

During today's UQ on money-laundering, I raised the issue of 'golden visas' which are given to those who invest £2m in the UK and are popular among Russians. I urged the Minister to ensure that we know where this £2m...
