Records from 1949 are shown in Green, however only 1950 sales are shown. Records in Magenta are still in the chart on the 24 December. A mix of the two colours shows that it was still in the chart at the start of the year and returned and stayed in the chart at the year end. Highest position numbers in italic are records from 1949 that have returned to the chart in 1950. All sales in thousands.
