Letter of Invitation

The Deacons and Community Care Ministry of Ebenezer Christian Reformed Church are sponsoring a Community Resource/Healthcare Fair on Saturday, March 23, 2019 from 10:00am to 2:00pm at Ebenezer Christian Reformed Church, 1246 S Harvey, and Berwyn, IL 60402.

Ebenezer was established as a Christian Reformed Church in July 1867. We are a thriving church with life, worshiping God in differing styles, offering various youth and justice programs, providing mentoring relationships, and bible study opportunities.

One of our main goals for the Fair is to provide awareness of services and cultural activities that are available to those living within the Berwyn, Cicero, Oak Park, and Chicago area. The purpose for the Fair is to focus on providing preventative and supportive resources to strengthen and interconnect the whole family with the community. To facilitate reaching our goal, we are hosting this one day event and inviting your participation. The products and /or services you provide to the community are invaluable. We are expecting a comprehensive turnout from members of the community, thus providing significant exposure for you and your organization.

There is no charge for participation. However, space is limited and we ask that you confirm your participation as soon as possible. Please contact Elois Brooks (elois.donald-brooks@ebenezer-crc.org) 708-368-0128 or Kay Rops (kay.rops@ebenezer-crc.org) 708-795-6480 to inquire about your attendance and to address any questions that you may have.

Sincerely,

Elois Brooks
Event Coordinator

Kay Rops
Youth and Community Care Director

Jennifer Roach
Deacon Board-President
