

## Luxury Fashion on Budget with Shopviolla Maddening Discounts

Shopping addiction or compulsive buying disorder has emerged with the increasing number of online stores. A growing army of shopaholics are using the e-tailing route to fuel their obsession. Research reveals that the percentage of respondents who made at least one clothing purchase in the last two months has increased from 70% in 2012 to 95% in 2018.

The thought of shopping online usually gives itchy credit card fingers & trigger you to surf. If you're an extravagant spender or a fashionista, you probably tend to cross your budget while shopping online. This can seriously bust your personal budget. Grabbing the best price is all about where & when you shop. Shopping during sale or special offers is therefore a smart choice. It makes you frugal & wise.

Discounts on online store can be a powerful weapon in conversion arsenal to drive customer loyalty.
