Company Profile.

Worldly Crowns Productions is an event production company that has organized beauty pageants since 2016 in NC and SC (under another pageant system) and recently was awarded the Virginia State license for the USA franchise for Miss International (www.miss-international.org).

Concept.

Miss International was established to promote “friendship and good relations with all Nations”. The pageant was founded in 1960 in Long Beach, California where it established the “Miss International Foundation” which donates money to underprivileged children around the World through UNICEF and other charity institutions. The donations go to hearing and sight impaired, severely mentally or physically disabled, and severely sick children across the World along with donations to “Feed the Children”. The organizers envisioned a regal International pageant celebrating beauty, culture, and style, while promoting Peace, Goodwill, and Empowering Young Women. Miss International is also a live TV telecast and are members of the World Beauty Association (WBA). Harrison Productions, LLC has been embarking on an aggressive business plan in the USA including trademark/image development, and promotion. With an incredibly successful run for the past 58 years, this is Miss International from Tokyo, Japan.

Mission.

Miss International’s Mission Statement: Through continuous philanthropic activities, the Miss International Beauty Pageant is aiming at being more than a beauty contest; it is an opportunity for the participants to improve their inner selves through proactively contributing to the International community and International exchanges. Emphasizing beauty, style, and cultural appreciation, the Miss U.S. International Pageant is a personal development opportunity for young ladies of the United States of America. The delegates who become part of the Miss U.S. International Pageant gain confidence and poise in an increasingly competitive world. The pageant affords each delegate the opportunity to grow and advance her personal goals while acting as a role model in her community along with offering Miss International a \$20,000 plus cash prize and prize package exceeding \$40,000. On a State level, we have a substantial prize package that includes lodging at the National Miss U.S. International Pageant, National Pageant Wardrobe, fitness and pageant preparation sponsors & gifts. For the past 58 years, the Miss International pageant has been recognized as one of the three major beauty pageants in the World. Under the directorship of Harrison Productions, LLC, the USA franchise for Miss International is “One of The Top 3” Beauty Pageants for women of the United States of America and is also a Grand Slam Pageant.

Areas of Competition.

Delegates at the state level will be competing in Evening Gown, Swimsuit and Personal Interview. Evening Gown 35%; Swimsuit 35%; Personal Interview 30%.
