Bruce Freedman  
6 Northwestern Dr  
Bloomfield, CT, 06002

Dear Bruce Freedman:

As the summer approaches and 2017 school year draws to a close, I want to inform you of details of our shitty destroyed life. The fact that you are not a Medical Doctor means that your evaluation and ability to perform a psychological evaluation is a fraud. The Judge who falsely adjudicated us and stripped us of our civil rights without a show cause hearing is a criminal and in direct violation of our civil rights and will be sued in federal court, just as our mother will be.

**see :** <https://www.pdf-archive.com/2017/05/26/17-cv-00796-adm-hb-annalise-rice/>

\*\* note: family service, court clerks, Geri Ficarra and Mr Peck will also be included in the federal claim of civil rights violation.

As proven last week in superior court our father has no rights to make an agreement because he has no custody rights to make an agreement on our behalf. Judges in CT need to follow the law and not just invent methods to destroy children and do whatever they want

We will no longer participate in the bullshit agreement or the evaluation unless there is a real medical doctor performing the evaluation. You are not a licensed MD psychiatrist and have no clinical ability. Your past evaluation and child abuse of children stand out on the internet, we are considering you a pedophile. We will not listen to our biological mother because she is a narcissistic psychopath. We do not need an evaluation our mother does.

The Below events are then ones you should be focused while evaluating our sick biological mother:

### Disturbing events from our mother during her life:

<u>Events</u>	<u>Dates</u>
Mother is arrested for attempted murder of a student at Fermi High Enfield, SHE IS FORCED INTO WORK STUDY AT ABB.	1984-1986
Mother kidnaps us from our Birth home and hides for 2 months from our father Makes us sleep on the floor of a strangers home and prevents us from being with our Father, lies and tells us we are going on vacation only she is hiding us from our father:	SEPT 2012
Mother prevents us from participating in fencing classes which we both attend AND LOVE, my father fights and loses battle because my mother moves us to Broad Brook and Ellington CT which is 28 Miles from our birth home:	SEPT-DEC 2012
Mother continuously tries and to destroy the parent child relationship with our father who is the primary parent figure in our life, Judges and CSSD idiots continuously try and hurt us and abuse us by tearing us away from our father, and try and turn us from wanting to be with our father.	Sept/12 – present

Mother and the Superior Court remove us from our chosen school in Cromwell on the first day of second grade, videoed by my father. The CROMWELL GESTAPO POLICE CALLED THE SCHOOL TO TELL THEM WE WERE BEING REMOVED WITHOUT A WARRANT AND WITHOUT PROBABLE CAUSE then forced us to leave school at gun point.

Tanya Taupier performing custodial kidnapping with Cromwell CT Police

Sept 2014

Mother makes unilateral decisions and prevents co-parenting every time and every week with key life decisions, with all important decisions, she travels and leaves us with a baby sitter 98% of the time, she changed our Drs and Dentists to prevent us from tracking our medical history and subjects us to unnecessary invasive medical evaluations – Bone Scans an useless psychological evaluations

Sept 12 - present

Sept 2 2014 hearing lies on the stand and say she doesn't own guns, and wants sole custody in the CT HFD family court Simone- J grants motion from lies, 3 days later we are depressed and want to kill everyone, my brother acts out in a school he is afraid of because of the vial nature of our mother and during school says he wants to kill students and teachers because of what his mother has done to us and our life. Basically she took away our father and primary parental figure, she is sick in the head

Sept/14 - present

Mother throughout the divorce trial says she does not want us to have a father until Judge Pinkus asks why, my stupid mother and her disgusting attorney have no reason and get lectured by the judge that children have the right to both parents.

Sept 2015

Mother works with Judge Gold and Brenda Hans to issue an illegal and false protective order against our father, Judge Gold issues the order then get lectured by Rachel M Baird ESQ, that the order is illegal and in violation of our civil rights, the courts of CT are a cesspool of idiots and assholes, the orders are thrown out because the Judge issued false and illegal orders at the request of our sick mother (Judge Gold is a scum bag jew) MMX-CR13-0200821-T This was just before Pinkus denied a Mother in Middletown of a real and valid Family Order of Protection, this order was typed and issued by [Andrew.Spurrier@jud.ct.gov](mailto:Andrew.Spurrier@jud.ct.gov) even though it was an illegal and indirect violation of CT state statutes

09/04/2014

Mother physically abused me/Sara on Feb 24, 2016, I was sick and the mother ripped me out of bed, threw me on the floor, choked me and slapped me and forced me to go to school while I was sick. She then lied and told the school it was my fault I was slapped and choked. She does not cook food and travels every week, we are being raised by a baby sitter who's brother is a convicted child abuser and pedophile (Katelyn Farrar – Ellington)

Feb 24 2016

Mother constantly travels for employment and leaves us with a 20 something year old baby sitter, we want to be raised by our father not some random girl. Katelyn is a more suitable parent than our mother but is not our family and not our choice. This condition created by our biological mother and the CT Family Court is in direct conflict with the "NAZI TERM BEST INTEREST OF THE CHILD". Since you're a Jew court appointed fraud this should be very easy to understand.

On June 06 2016 our mother and Brenda Hans drove us to the CT State Attorney's office for an ambush interrogation to extort false statements from us on our father. The two states attorney's basically threatened my brother and I and tried to make us say false statements about our father. They tried to trip us up and coerce us to say may father was a criminal. We refused and told them we are not saying anything and pleading the 5<sup>th</sup> amendment without a Lawyer's representation. This building should be burned to the ground for interrogating children with no representation.. fuck you

June 06, 2016

My Brother and I have witnessed my mother making false reports to the police in Ellington and Cromwell. These reports have destroyed our lives and the ability of my father to earn a living and support us. My mother recently called the Cromwell police and told them she had not spoken to us or had any contact from us for days. She has violated Family court orders on countless occasions. On Dec 27, 2016 my mother filed a false police report saying that she knew we were endanger and had not spoken to us in days, we have phone records that say otherwise. The Court Orders stated that we are to be with my father on every other year Christmas Break, but the lawyer and the sicko constantly try and destroy our happiness. Our new mother, my father's new Wife is so nice and so beautiful, my mother will do anything to destroy our happiness and our family.

Dec 26/27 2016

Recently we were in court to testify against the false lies that my father dropped us off at our porch ten feet from our mother and the court threatened him with Jail if he did not take away email accounts and access to lpads/google pads are forbidden due to my father having no custodial rights to managed our development as our father – This act in court by Brenda Hans, Geri the Hut and our sicko mother took away a safety cell phone my father gave us and all access to the internet. You court asshole need to get a fucking life and leave us the fuck alone.

### Changes in Your ORDER OF PSYCHOLOGICAL EVALUATIONS

In order for us as children to live we have to get away from Court assholes violating our civil rights, since our father has no rights to agree to the order issued by Domharski, the next door neighbor to Geri Ficarra, He has no rights to agree to the motion for evaluation. Also there was no motion before the court to carry this agreement, the only motion required a show cause hearing which we were denied by J-Domharski.

Here is our position: LEAVE US ALONE - THE ORDER IS NULL AND VOID, MY FATHER HAS NO RIGHT TO AGREE IF HE IS NOT OUR CUSTODIAN OR LEGAL FATHER, HE HAS NO AUTHORITY TO AGREE TO A MOTION THAT NEVER HAD A SHOW CAUSE HEARING. You court assholes need to stop violating our due process rights and our civil rights. We are not participating in an evaluation by a pedophile child abuser non-medical therapist.
