2019 membership payments are due.

Please bring your dues for 2019, as we have opened a new account which pays the club a \$750.00 bonus in February, providing we follow some rules set by the bank. That windfall of money will clearly be the best finds for next year!

Your dues can be paid at the party. Checks are welcome, of course.

November 2018 Minutes

The meeting started at 7:15 with the Pledge of Allegiance, led by President Frank Nash.

There were 32 in attendance, with two guests—Jeff Barbara from Portland, and Dave Crooks from Chicago.

Thanks to Melody Kazee for taking minutes while the Secretary position was vacant.

Our New Club Secretary

Congratulations to John Burke, our new club Secretary. John is an active club member, and his enthusiasm for metal detecting will serve him well as our Secretary. He is pictured with his winnings from the Silver Raffle.

Message from the President.

A hearty thank you to all the members who have been there to help make our club what is and what it will be in the future.

Our upcoming Holiday Party is a great way to close out the 2018 year and prepare for 2019.

This upcoming year we will have more club hunts, to include an open hunt with some of the manufactures such as Minelab and Garrett helping with prizes to include a detector or two. More details to be announced at the January meeting. While the weather remains cool and dry, my hope is for a monthly hunt. Maybe more.

On November 14th Laurie and I drove to visit with Tom Dankowski and his family. Tom's schedule has been booked with many exciting visitors along with design and testing of new metal detectors. Fortunately for the club he will arrange to travel down in February or March. For the new members who might not have seen Tom in person. His presentations are an event you don't want to miss. For those who have known Tom and seen his presentations know that it is a time to learn something new each time with Tom's unbelievable knowledge of metal detectors along with other educational information.

In the back of the newsletter is the True Oldies Radio Station 95.9 in Palm Beach and 106.9 in the Treasure Coast. I encourage you to listen to the station the songs are great. Please support their advertisers. For those who have a business you might want to inquire about running your ads on that station.

True Oldies were very generous in the many and various gifts for our party.

The music is very enjoyable and will bring back memories from what you might have been doing the first time you heard that tune. The staff , DJ Mike, General Manager Matt, receptionist Samantha and the rest of the group are all professional, courteous and friendly to meet with and talk with. Also they have various contest that provide nice prizes. Encourage you to tune True Oldies on your radio. Thanks.

See you all at the Christmas party.

Respectfully,

Frank Nash
