

# TRUFFLE PACKAGING

---

# INTRODUCTION OF TRUFFLE PACKAGING

---

Truffles are sold at large quantities as they are popular bakery item. Truffle packaging protects the Truffles from getting spoiled or damaged. Good quality packaging boxes are basics of good industry.

## STOCK/MATERIAL

---

Cardboard boxes are usually preferred for storage of delicate truffles. These inexpensive boxes keep truffles in original form and taste.

# SHOWCASE YOUR TRUFFLES

---

**Make truffle boxes according to customer's taste. Use unique design and colors to tempt customer to buy your product. Add window panes to let them drool for your tasties. Print logos to give your brand differentiated look.**
