We are your HR support team. We can put the best practices and resources in place to help you find the right people to fill the unique roles in your organization, create strategies to retain valued and ensure legal compliance or policy develop.

RECRUITMENT AND SELECTION

Recruiting the right person to add to your team is one of the most important things you can do for your company or organization. Our team can assist in all areas of recruitment and selection from creating and posting the job ad and reviewing the candidate pool, to short-listing and pre- screening applicants. We will arrange and conduct first interviews, testing, personality assessments and reference checks, and then recommend candidates for second interviews. Our specialists can also draft the offer of employment and conduct follow up calls on the candidate's performance. From recruiting to hiring we are there every step of the way.

RETENTION AND ENGAGEMENT

So you have the right team – how do you keep them happy and engaged? Team Dawgen is skilled at developing strategic plans to identify employee motivations, create incentive programs and set up retention programs. We've worked with companies to develop workplace culture and foster employee involvement through orientation programs, supporting ongoing education and employee recognition programs.

TRAINING AND DEVELOPMENT

We offer standard and customized training for your employees. WHMIS, Health & Safety, environmental, supervisory, accessibility, Occupational Health and Safety Act, Violence and Harassment are all available training opportunities. We also customize training for specific needs identified for your company and develop training plans for each level of your organization.

HEALTH AND SAFETY

When your company needs specific comprehensive health and safety programs, our team can help with advice, guidance, training and accident prevention. We can help clarify regulations and compliance, meet legislative standards and develop a culture of health and safety.

PERFORMANCE MANAGEMENT

We can be there every step of the way from developing a method of performance management that meets your company strategy, providing the tools for recording performance, setting the policies and procedures to manage performance to coaching, mentoring and follow up.

POLICY AND COMPLIANCE

We know policy and compliance, such as Accessibility, Violence and Harassment, and we also can develop personalized policies for your organization that conform to the latest legislation. We will then train and develop Employee Handbooks for your staff.

COMPENSATION AND BENEFITS

An important part of retention of good employees is developing a desirable compensation and benefits program. Our Team can help you identify financial and non-financial compensation, administer salary surveys, develop wage bands and create compensation rewards programs to make sure your retirement, benefits and Employee Assistance Plans are competitive.
