Wood Awakening

This work of sculptural art is inspired by the WOODen puppet whose dream was to be a real boy! Having his dream fulfilled, he thought to himself, "Now that I'm a real boy, what else can I ask for?"

Wood Awakening

Then, one fine morning... he climbed out of bed for his usual morning stretch and, suddenly, he saw in the mirror that his pants were full, honestly. To his WOOD surprise, his BIGgest PHantasy had finally come true- it was "a wood awakening!"
