

## The True Book of the Law - By God Eternal (Adonai)

Note:

This book is the response of the Lord God to the lies of witchcraft and wickedness of aleister crowley (cursed) specifically "Liber AL vel Legis - The book of the law" as written by aleister crowley (cursed). This text has been sent forth to help undue the damage of that wicked text on your spirit as it only serves to destroy your true soul.

As crowley (cursed) knew, The TRUE Book of the LAW was already written in the form of the 10 commandments but we can simplify it into language his wicked followers can understand and should recognize as it is the inverse of their own one wicked law:

Love - over - wicked will - prevails.

This message is from the one true God to three distinct groups for three distinct purposes:

- To bring hope and guidance to the remnant church that is still loyal to the good teachings of the only true God.
- To awaken the misled and the innocent to turn away from the path of evil and to see it around them.
- A warning to the wicked to change their path before it is too late for them.

Many of you have been deceived by the works of aleister crowley (cursed) and the works of the dark ones in the illuminati (cursed) that he has served.

He has made you believe that the worship of the false light is required for ambition and success in this world.

He has told you that there is no god where he is - only eternal heaven for the elites and ambitious that feel nothing for the slaves and the multitude of humans.

He has tried to teach you that the only thing that matters is your pure WILL no matter the cost to others. He has tried to sell you IDOL gods in the name of so called personal guardian angels (Demons) that he promises will offer you protection and providence against the slaves and the weak; - if you agree dabble in his wicked magick and rituals and sacrifice. He praises you who is willing to crush anyone weaker than you and lied to you that his false god will reward you for this.

All of his writings, which are just a wicked perversions against the true eternal laws of heaven, are just trickery to pull you away from the one true God and they only serve to bring your soul to ruin.

Truly crowley (cursed) understood well there is NO GOD where he is - only death and he brings you with him.

Crowley (cursed) is already food for insects and his remaining Nimrods (cursed) are just manure for the coming harvest since they have sold their souls in the name of selfishness and temporal riches.

Those of you that still have souls to hear should understand that the one true god, Adonai is not against FAIRLY earned ambition - only dark ambition that turns your soul dark with such wickedness that destroys the true light within you and pushes you away from the good purpose of your spirit.

Crowley (cursed) has tried to teach you that the only path to success is for you to abandon any care for your fellow humans, but in truth the only thing that actually gives your soul any light is LOVE combined with ambition; combined with your love of God.

For it is the one true God, Adonai, that has given you that ambition in the first place.

And it is he that has also given you a sense of love and justice.

And it is he that created you - and it is not good for any child to hate its parent.

Abandon any of these values and you abandon your own soul.

The true God of the universe is not against hard work and ambition that brings you FAIRLY earned wealth, but your evolution into the kingdom of heaven requires you to also care about well being of your brothers and sisters in this life to have any place in the stars.

The commandments of the covenant, which crowley tries to paint as oppressive and evil, are actually for your benefit for you in this life for both temporal success to learn the lessons you are here for, as well as to become a complete soul as to evolve into the true kingdom of Heaven.

Abandon the one truth of LOVE that Adonai brings you and you will lose everything you have worked for because you will become dust forever.

The worshipers of the false light, be he known as Ra or Horus or any other false deity that use to defend their perverse WILL- can provide no protection for them. Greed that results in the oppression of good souls will be rewarded by unexplainable pain and then extinction for those that will not repent and change their path in the coming days.

True "elites" of the ancient times, guided by the true light of the one real Adonai, understood the nature of the true god and what is expected of them. But you modern Elites, which reject these true teachings of the one true creator - like those in the times of the tower of Babel, disregard all that is good and dare to mock him. This is your last warning that you will soon be returned to dust forever if you don't change the path you are now on.

Those of you that still have souls to hear have a limited time left to protect your soul against this wicked perversion. Turn to the one true light that created you and you will find the only true enlightened path.

PSALM 41: 1

Blessed is he who considers the poor;  
The Lord will deliver him in time of trouble.  
The Lord will preserve him and keep him alive,  
And he will be blessed on the earth;  
You will not deliver him to the will of his enemies.

To the remnant church:

A message to the Handmaidens & Watchmen of יהוה - as delivered by נְחִיָּאֵל to יוֹנָה יוֹנָה יוֹנָה, a simple servant of יהוה faithful to the true remnant of Able and the remnant church of the one true covenant of the people of my books. This simple servant makes no claims that this message is perfect. He has done his best to relay the message given to him by the Lord and he hopes it is sufficient for the task at hand and meets the will of our Lord god.

Yes, war and persecution will soon be upon you. But know that the one true father and true light of the world is with you. The light of the false eye will fool many but not the remnant that is reading this now.

While it might appear to you that the gates are crumbling around you due to the works of the abomination of desolation - know that he has dispatched his spiritual son to return to finish off the last of the wicked. The last Eliakim (King that is to be raised up by God) Yeshua will guide and protect the remnant in their time of need, as spoken . Born of foreign blood and wicked lands but with true eyes firmly opened yet in training until the time he is called to fulfill the calling יהוה.

Those that have eyes to see will find the numbers are 37 11 222 111 22 444 222 37. Study and understand the mysteries of these numbers for hidden wisdom that

only the chosen elect will have the providence to decipher and use for the purpose of our God .

Acts 2:17

'AND IT SHALL BE IN THE LAST DAYS,' God says, 'THAT I WILL POUR FORTH OF MY SPIRIT ON ALL MANKIND; AND YOUR SONS AND YOUR DAUGHTERS SHALL PROPHECY, AND YOUR YOUNG MEN SHALL SEE VISIONS, AND YOUR OLD MEN SHALL DREAM DREAMS;

The lesser divine sparks have been sent forward in time to awaken Yeshua the true Phoenix of the lord God - who as promised will burn coals over the head of the wicked and bring a true NEW WORLD EVERLASTING for the worthy and innocent. The false earthly new world of Lucifer Iblis will die a painful death by the Messiah of the one True God as promised by Revelation.

Yeshua the spirit son of God, sent back down into human form; knowing not what he can do until his chosen time of awakening, and he will fulfill Lord Gods wishes when called to do so by his heavenly father (if it is required by the actions of the wicked).

--

Proverbs 25:22

"For thou shalt heap coals of fire upon his head, and the LORD shall reward thee."

--

The returning Yeshua will be born with the foreign blood of those with evil red fire (of cain) that was corrupted by Lucifer; but that blood is at the same time tempered by the calming blue waters of love and compassion of our father in heaven.

on the wicked.

Born with foreign blood - forged in the fires of the wicked and rebellious: to walk amongst them, to experience their ways, to feel an ambition stronger than all the demons within the abyss. But the ambition has been tempered by cool waters of the spiritual father.

The fire simmers within in ever compact power. Fire born of both biology and from the spirit realm. The fire of the one true Phoenix (Yeshua) was born from the sinning blood of Cain - allowed to remain within the human gene pool for the short time period to give the lost and false SON OF THE MORNING time to repent before he and his followers will fall to dust. Anger for the injustice of evildoers inserted into the one true Eliakim a seed and a divine spark by his spiritual father to deliver the strong elemental force that will smite the wicked at the time and place of the calling. A time of everlasting peace for the remnant & innocent souls will only remain in happiness and eternal life. They will finally understand the eternal LAW and LOVE of one true FATHER once the struggle is finished. Happy are you that understand since you will be saved. Happy are you that keep true to the covenant. Perfection is not required but striving for perfection is. Ye will not settle for wickedness.

How surprised you must be fallen, to only now understand that the same forces you have used for corruption and power is the very same tool that will be unleashed upon you as reward for your wickedness.

The wicked ones know but a low level use of the amplified will and their blood runs red with the same fire in lessened corrupted quantity: but the one that is to awaken has a stored WILL stronger than all the Nimrods that ever existed. This presently contained WILL is the source of a strong elemental force that is to be unleashed and amplified to smite all that oppose the LORD and it WILL harm none of the elect or the innocent in their time of need- just as the true sons and daughters the Covenant have always been sheltered. The true SON will sacrifice himself in an act of Love to protect the pure.

What church, race or creed shall ye find the true remnant of the one true God Adonai יהוה Jehovah?

You will find the brethren and sisters among all the races, churches and paths of the just religions of the world.

By their fruits and striving to follow the laws and commandments of Adonai will you know them. God's mysteries will bring you together.

ALL of your religions from Born Again to Hindus to Jews to Muslims to Catholics to the Buddhist and more are amongst me. I say to you that even those

that have been misled into the evildoers deceptions who serve his evil orders, who TRULY repent, will be shown mercy according to the loving judgment of our one true LORD. And further I say to you that even those that know no religion but strive to follow יהוה COMMANDS to the best of their ability will receive mercy in the coming days.

All human religions have only only a fraction of our fathers spark because of the corruptions of the fallen, but in all of them you will find the remnant. Reject none who are searching for true light of the One true God Adonai יהוה Allah Jehovah. By their striving to follow יהוה COMMANDS will you know them, to the best of their ability and circumstances.

The true God knows many of you in the remnant will have trouble with the above passage.

Gods true remnant will have trouble with this teaching because of their inner light drives them to keep the purity of the covenant as spoken by their respective church Fathers. God sent them all to you to understand my true will.

But you must, elders and handmaidens of the true remnant understand the one true God Adonai has none of your human prejudices against his creations and loves ALL OF HIS CREATION. You must reject NONE of the people of the earth that are searching and striving to produce fruits of faith and follow the will of the one true God. You must reject no races, no cultures and no people of good will and faith. You will aim to STOP the wars and murders that divide you among the people of the Books since those wars only serve the agenda of the Fallen Iblis Lucifer. You will try to cease the persecution of innocents because that is the will of the Fallen Iblis who has corrupted my teachings in your books. God understands the need to defend life but be wary of the agenda of the Fallen Iblis Lucifer that drives the stake between my peoples.

Pray, prepare and be mindful. Help awaken the spiritual son our Lord has sent to provide you aid in the time of need. Live fully in your faith that Yeshua, the purest Eliakim of God, will protect you that keep the faith. As it is written, it is true that some of you will be called to sacrifice and suffer - but even then it will be far out-shadowed by ecstasy you will experience for your faithfulness in the Lord our god.

You will have time to find the shelter and safety needed to prevail if you hold onto the faith. The coming Kingdom of the remnant is built upon a root that can not die and the last Eliakim Yeshua will lead the way . Be joyful and fear nothing for יהוה is with you now and always.

If you are reading this and have seen the signs spoken above that have lead you here - you are indeed with יהוה.

Know that Yeshua (the true Messiah of God) is the same spirit from ancient times - and he has been sent back into physical form as promised to complete his mission against evil.

But the spirit of the living god was not born in any of the nations of chosen faithful peoples but he was sent to dwell with the wicked. God specifically clouded his mind for a time to not be fully cognizant of his full self so he could experience anew the physical and mental trials of the evils of this world that are pitted against humanity. For this experience he has been forced to dwell in the new seat of Babylon.

This, while might be paradoxical for you who do not understand, was needed for his training to experience the selfish ambition of the wicked humans in preparing him for the coming battle and in preparing him to save those wicked he can. And you the remnant are called now to help the last and true Eliakim (The one true king of man who represents the living spirit of God, The one raised up by God) to find himself and follow him during the coming trials.

You will disregard ALL prejudice against all Gods creations because the true Messiah he has sent to liberate you comes from the last place you should expect, from the last culture you can ever expect. As it has been spoken, your God works in mysterious was and you shall reject no one of any race or creed that is working towards Gods will. If you love your one true God Allah Jehovah Adonai יהוה as you have been taught by your books and elders then you will follow my commands to be open to all , If you do not do so, you join the wicked in putting coals upon your own head and will join the wicked in the pitt of punishment and death.

God will aid you in helping Yeshua to bring the true and lasting light of God to the world in the coming rapture.

To the mislead:

Many of you have been mislead by the false light known as Lucifer - be he goes by many names such such as Ra, Baal, Osiris, Horus and thousands of other names of deception.

He tricks you by offering you secret societies in the form of the masonic & shiner temples and daughters of the Nile (cursed) as well as the so called crafts of A. A. Temple of Thelema (cursed) and other such (so called) crafts of forbidden wisdom. With this so called hidden wisdom he promises to make you stronger and raise you

to the elite and make you rich - but your God already designed you to be you and he actually just decays your true loving nature and destroys your true bright future.

And your leaders call him God even though he was never a God but only once a powerful good servant angel that betrayed his creator in his hatred for you humans.

It is true that this being was ONCE a true light but now he is only darkness and brings himself and you to destruction.

The so called morning star once known as "Lucifer" before his fall, was named such because god loved him so much for being a true bright angel and servant of Adonai. But he can be called Lucifer no longer since he betrayed his loving creator and the human race.

Do you not understand he fell to earth because of his hatred and jealousy that God loved you in spite of being not as "perfect" as the order of Angels? He yelled at God "Why do you Father need these pathetic humans that will not do your will, when you have us Perfect Angels that will! Have you not named me your lighted one? Why do you insist we waste time with these ants who are not capable of anything good and can not follow your simple requests!"

He refused to listen to the message of your true Creator that he is LOVED unconditionally & completely and had no reason for such jealousy and while he understood lucifer's frustration with humanity that there are designs and purposes that he can not understand and he will have to trust his Creator.

But instead of doing his duty to guide you he decided to pervert you as well as betray the one true "Architect of the Universe" that loves you and created you.

And so now he walks from place to place on the earth with his Fallen, doing everything he can to ruin humanity to spite your true Creator.

He designed these secret orders such as the free masons (cursed) to wreak havoc on the world of humans - to keep them in wars and poverty, to keep them destroying each other and to keep creating religious and racial divisions. To prove to God that you will never be worthy. But God sees only the damage that Lucifer does to both himself and you.

Some of you innocent but mislead souls actually think these organizations created by this fake "light" are doing real "good" for the world; while some of you he has snared by using your own heavenly ambition against you.

But you should know these secret societies pervert your soul by promising you special powers and privileges in this life. In truth they kill the inner star that makes you worthy of Love by anyone including yourself.

Every soul is indeed a star, but that star will burn out in the path you are blindly following.

Lucifer's purpose since his fall has always been your destruction, and while you have been building his NEW WORLD ORDER for him you will soon find that it is YOU that is the true sacrifice of Horus.

For the being once named Lucifer is no God but is just a fallen servant, and he currently remains is only out of charity of the love of Adonai. since all beings are given time to repent.

You have allowed this black star to not only destroy your inner star but has made you a traitor to your own kind as well as your Creator that has true love for you.

Do you not see the irony of the wickedness you sow by your own pride?

Some of you sing loudly in your wicked songs "A cruel king made me tough..

Daddy's girl's never good enough"

How cruel these words are when in truth the daughters and sons of God have ALWAYS been good enough when they did not choose evil. Perfection was never expected but settling for wickedness is not acceptable.

If you have the fortune to find this writing, and the divine mercy to see the foolishness of your actions - your loving God hopes you will repent while there is still time. It is guaranteed the Lucifer and his Fallen will not prevail because they will never have the power of the true God, but do you wish to let him take you with him, knowing that he only hates you?

And to the unrepentant wicked ones:

The wicked law of your unjust master: Do what thou wilt shall be the whole of the Law. Love is the law, love under will.

The fools that bring HIM forth only understand but a fraction of the key but in the battle to come they will experience the completeness of the key that they dabble with in their daily witchcrafts- and you will not remain to see it finished because you have just unlocked your own destruction.

Oh once bright lucifer (cursed) how far did you fall? How our father did cry for thee. How he let you wonder the earth from place to place so you would repent. Only but 1 of 100th of our fathers spark did ye posses but did he love you and cover you in light. But now you are covered in darkness only and your remaining WILL now is only false light & deceptions & foolish games that lead you and those that follow you to death.

And to the men of the so called elite illuminati (cursed) in all its deceptive forms: Ye who follow him pervert all that is good! Starting wars and plaques for dominance! Debasing currencies to make nations bankrupt! Using your wealth to strangle the poor into debt and steal what they have rightfully earned! You disobey all the commandments of the one just God gleefully! And even treating your own wives and daughters as dirt when you have been called to cherish them, thinking such gives you power? Do you not understand that the true Kings have always been elected by יהוה to be Eliakim (ones uplifted by God) in a time of need and their true Queens who they are called to CHERISH will come up behind them with a strength you can not understand because of your debauchery? Even your own wives, whom you treat poorly, will disregard YOU in the splendor of the true Eliakim Yeshua. Your kingdoms will have no power & your bloodlines will be no more.

You think you have a cornerstone on ambition and it gives you secret powers? The powers you have are but your undoing. True ambition is never complete without love - and in the radiance of our one true LORD you will hide like cockroaches running from the true light.

Your legions will obsess about this document until the end but there is NO SECRET HERE that can be used by the wicked. tubalcain can run up and down the kabalic tree of life all day and they will find only death.

The EON of the golden dawn and the so called Age of Aquarius was dead before it was born. The EON of the true Phoenix Yeshua will be sitting on your head with the melted coals created from your own inequity. As it is spoken Crowley (cursed) is already food for insects and his remaining Nimrods (cursed) are just manure for the coming harvest.

The FIRE that was placed inside the seed of CAIN is not and will never be complete enough to undue original designs.

You can sacrifice, and experiment and try to open all the portals on one end of the earth to another but you will never reach the Mount.

No amount of spilled blood will give you power over the remnant. No amount of secrets and stations and signs will give you strength over my elect.

With all of your treachery you will not even touch a hair of the Eliakim who I have sent to ye until his mission is completed. What power did you have over the fate of Moses? Did not the waters of Adonai also keep him safe?

You think your increasing numbers gives you safety? I PROCLAIM THE GOOD NEWS that the tallest tower of your new Babylon will also fall just like your tower of babel & just like your wicked were washed away in the times before times.

You can cloth yourself in gold and luxury and slither yourselves into ALL the halls of power, putting forth all your secret symbols but they will help you not and you will still be cast away. You will find that all that shimmers is not gold.

Your all seeing eye is blind as a bat without sonar.

Your masonic temples : your brotherhoods : ye triangular delta - ye shriners - ye daughters of the Nile & eastern stars and ye scientology : ALL your fornicating clans : all of your secret plans will become just true SKULLS and BONES when our master decides. Our ONE and ONLY true worshipful master God has been watching your fraternities since the dawn of time and you have no secrets from him. His true agents, the heavenly angels and Yeshua, have and will subvert your plans with powers you can barely understand and your blind eye will see nothing.

Your new order is going to meet the same fate as your old Babylon. Your elite schools and country clubs and hollywood hills and groves, which you use to foster hatred for my people will just be maps that will lead HE WHO IS COMING to your wicked covenants. Your pictures with wicked symbols are all stamped in the scopes of our sharp lasers. Only those that reject your elitism can be saved.

Before you have time to even understand what has happened you will be devoured by the same energy vibrations you dabble with.

Your wicked plans for the genocide of the masses will harm none of the souls of the innocent and worthy.

Your bunkers will provide you no protection in the coming times and the elemental fire of Yahshua will devour no matter how deep in the earth you try to hide.

Your david bowian manipulations in ENTERTAINMENT are just a shadow that will soon disappear under the one true light. Black Star indeed! So black it never existed and has returned to dust. You laugh with haughty ambitions thinking you have fooled the masses while you boldly brag your symbols forth, but you fool no one that matters to our plan.

Even one of your strongest FALLEN scarlets will betray you when the time will come. She will pick love OVER will and she will be aided by her soul sister who will bring superior forces that you will nether expect or comprehend. You have no true friends other then your own willful destruction caused by your own selfish greed.

There is NO SECRET that can help you since you will never find the keys of the the true power of the one True and Just God Yahweh. All of your magick perversions and powers will be nothing compared to the power of the coming Messiah Yeshua who will have the true power that will return you to dust while protecting his Elect.

Your experiments with Saturn and your idol worshiping Baal / Chronos and any other THOUSAND names you might choose to represent your desolations will bring you no aid at the chosen time. Your gleeful crushing of the people you call slaves has just hastened your coming destruction and your father time will not be able to help you turn back time against the true Phoenix Yeshua.

Our lord has dispatched Mîkhā'ēl to the the gates in the north, Gabriel south, Raphael West, Ananiel East.

Do you not feel the change in the winds? You wicked will be restless as our elect are standing over you ready to strike with true bright lights.

Metatron will truly clear away the lower energies.

The son of the most high Yeshua will return as promised to comfort his flock and complete what has been started.

Michael, Gabriel, Cecitiel, Oriel, Raphael, Ananiel, Marmoniel have placed their stakes in the ground.

All the lords TRUE BRIGHT legions are in waiting to finish what was started.

Your wounds can not be healed FALLEN for you to prevail.

Indeed your treachery and plans never had a chance in the first place but it was only the mercy of the one true God that you have been provided time to repent.

The host of hosts has remade the ancient kings of the clay of ADAM and Able, perfected in purgatory, into a new army with Moses to aid the Eliakim Yeshua. Indeed, Your forces could never stand against a single ancient king who kept his covenant. What chance do you think you have now facing the entire armada of perfected kings of the covenant. with the holy spirit and most high angels within and around them ?

You will not find shelter in the cover of Nuit as your witch of Babylon rides into her death and the fire of Hadit will have no bite. Only those that repent and aid Eliakim Yeshua in the final hours will have any chance of a everlasting life. It is only by the charity of Adonai that you still remain but with a flick of his finger the waves of his wrath will overtake you all and the fire will return you to dust. For the one TRUE GATE has been opened and the everlasting EON of the true Phoenix is at hand.

Your new order is dead on arrival and so will you be unless you repent.

The true law that you need to study has a basic form and it is simple to follow:

Thou shall not take any God except one God.

Thou shall make no image of God.

Thou shall not use God's name in vain.

Thou shall honor thy mother and father.

Thou shall not steal.

Thou shall not lie or give false testimony.

Thou shall not kill.

Thou shall not commit adultery.

Thou shall not covet thy neighbors wife or possessions.

Thou shall keep the Sabbath holy.

You wicked ignore it at to your own destruction, and our Fathers patience with your wicked ways will soon expire based on your choices. You foolishly assume his years of patience is a sign of weakness instead of compassion but if you continue in the wicked path you will soon find out the real TRUTH OF THE AGES.

Deny it not, most merciful master of the Highest degree!
