

SAP C_TS452_1909 Certification Description

The "SAP Certified Application Associate - SAP S/4HANA Sourcing and Procurement" C_TS452_1909 certification exam verifies that the candidate has the fundamental and core knowledge in the area of sourcing and procurement required for the consultant profile. This certificate proves that the candidate has an overall understanding and can implement the knowledge practically in projects to contribute to the success of the planning and implementation phases in a mentored role. Previous project experience is not necessarily a prerequisite to pass this exam.

SAP C_TS452_1909 Notes

To ensure success, SAP recommends combining education courses and hands-on experience to prepare for your certification exam as questions will test your ability to apply the knowledge you have gained in training.

You are not allowed to use any reference materials during the C_TS452_1909 certification test (no access to online documentation or to any SAP system).

SAP C_TS452_1909 General Information

SAP C_TS452_1909 Exam Preparation

IMPORTANT: All SAP consultant certifications are now available as Cloud Certifications in the Certification Hub and can be booked with product code CER006. With CER006 – SAP Certification in the Cloud, you can take up to six exams attempts of your choice in one year – from wherever and whenever it suits you! Test dates can be chosen and booked individually. Those of you who prefer to get certified on-site at an SAP training center instead can still do so. Official dates for the C_TS452_1909 certification tests are listed on the right.

Each specific certification comes with its own set of preparation tactics. We define them as "Topic Areas" and they can be found on each exam description. You can find the number of questions, the duration of the exam, what areas you will be tested on, and recommended course work and content you can reference.

SAP C_TS452_1909 Certification exams might contain unscored items that are being tested for upcoming releases of the exam. These unscored items are randomly distributed across the C_TS452_1909 certification topics and are not counted towards the final score. The total number of items of an examination as advertised in the Training Shop is never exceeded when unscored items are used.
