Our delivery service is contactless:

- Our drivers have been instructed not to make physical contact with any customers and to maintain a safe distance.
- All card machines are sanitised before and after each swipe.
- Bags will be placed on a surface indicated by you, the driver will then back away and allow you to pick up your order.
- Cash payments are not accepted and we encourage our customers to only use credit / debit card as payment method.
- Drivers bags are frequently cleaned; all drivers have access to hand sanitiser with clear instructions to sanitise their hands before and after each delivery.
- Protective masks have been rolled out for all drivers.
