1080P Full HD & HDR Technology

AUZAI Monitor displays Full HD content and supports HDR technology which offers a broader spectrum of colors and contrasts.

Wide Compatibility

AUZAI is compatible with multiple devices, including laptops, phones, PS4, Xbox, etc. Simply connect your devices to the monitor via USB Full-Featured Type-C or HDMI.

Eye Care IPS Panel

IPS technology provides a wide viewing angle. The screen can eliminate flickering and protect your eyes, reducing eyestrain and optimizes eye comfort while using it for a long time.

Customize to Meet Visual And Audio Needs

Easy to set different options in OSD menu and adjust components of the monitor, such as brightness/contrast, color, audio, etc. Stereo speakers can deliver exceptional audio performance!

Portable & Safe

Slim, incredibly handy and lightweight, so you can take it around you for gaming and business. Included case & screen protector can prevent cracks and scratches.
