Increase Awareness with Monitoring Mode

Hear airline or subway announcements and what's around you with the press of the in-ear monitor button when DNC is on.

TIKTECH TECHNOLOGY LIMITED

Digital Noise Canceling

Digital Noise Canceling technology and 10mm driver, FIIL wireless earbuds deliver balanced and flawless sound with deeper bass. By blocking up to 98% at high-frequency noise, DNC can achieve a higher music quality.

Germany's Award Design

The neckband headphones stay around your neck, which is convenient to put on or takedown, and also secure enough to protect from being lost.
